Customer shall not (i) copy or duplicate any Software or Documentation, provided that, notwithstanding the foregoing, Customer shall be permitted to create one (1) copy of the Software for archival, non-productive purposes provided that Customer reproduces on the copy all copyright notices and any

other confidential or proprietary legends that are on or encoded in the Software; (ii) decompile, disassemble, reverse engineer or otherwise attempt to obtain or perceive the source code from which any Software is compiled or interpreted, and Customer hereby acknowledges that nothing in this Agreement shall be construed to grant Customer any right to obtain or use such source code; or (iii) install or use any Software on any computer, network, system or equipment other than the Designated Server Site, except with the prior written consent of Blackboard. Customer shall not provide access to the Software to anyone other than Authorized End Users without Blackboard's prior written consent. 4. AUDIT

For the sole purpose of ensuring compliance with this Agreement, Blackboard shall have the right, at its expense, to audit Customer's use of the Software upon not less than seven (7) days' advance notice. Any such audit shall be during Customer's normal business hours and shall not be made more frequently than once every twelve months, provided that if any such audit reveals a material breach of this Agreement, Blackboard may conduct such audits on a quarterly basis until such audits confirm that the relevant breach has been cured. The cost of any such audit shall be borne by Blackboard unless the audit reveals that Customer has underpaid fees due under this Agreement in excess of 5% of the total owed for any calendar year, in which case Customer shall, in addition, reimburse to Blackboard the reasonable costs of conducting the audit.

5. LIMITED WARRANTY

Blackboard warrants, solely for the benefit of Customer, that any Software licensed under this Schedule which is manufactured by Blackboard will substantially conform to the applicable Documentation for a period of ninety (90) days after the initial Available Date. In order to distribute any User Software for a given mobile platform, Customer is required to enroll in the appropriate Developer Program for that platform, such as the Apple Developer Program or any successor program; such program enrollment is between Customer and the proprietor of such Developer Program directly.

8.4 Certain Rights. Blackboard shall have the right to use Customer's icon and screenshots from Customer's Blackboard Mobile Services to demonstrate the technology to other customers and prospective customers and in Blackboard's promotional materials, provided

that Blackboard agrees to discontinue such use within fourteen (14) days of Customer's written request. Blackboard shall have a royalty-free, worldwide, perpetual license to use or incorporate into Blackboard's products or services any suggestions, ideas, enhancement requests, feedback, recommendations or other information provided by Customer or Customer's users.
